## TO THE HOME STAFF (CAO, associations, administrations)

(This document must be returned after consultation)

By decision of the french government, I have been asked to be moved from calais to this CAO. To ease my arrival, please find advice on this page and details on my personal journey on the opposite page.

## **MORE IMPORTANTLY**. Thank you for informing me on those subjects :

- In order to stay in touch with my family, please inform me on where I can find a Wifi point or purchase a phone card?
- Is there any lessons given in order to learn either french or english?
- How could I be made in touch with a jurist to help me with my enquiries, delays, procedures?

**DOCUMENTS**. Please look through the papers I'm carrying with me : any administrative papers from France or foreign countries, and - with my autorisation - my medical file. **Please duplicate all my documents if you need a copy**.

**ENQUIRIES** If I have already made enquiries in Calais, my file follows me to my new destination, but it may take some time in order to arrive.

If need be, please direct me to an association fighting for immigrants rights or a lawyer, right here.

**CHANGE OF ADRESS**. If i'm domiciliated in Calais (see on the opposite side), please send a mail to <a href="mailto:transfertpada62@france-terre-asile.org">transfertpada62@france-terre-asile.org</a> (for France terre d'asile) or <a href="mailto:jacky.verhaegen@secours-catholique.org">jacky.verhaegen@secours-catholique.org</a> (for Secours Catholique).

The mail must contain: [1] name and surname; [2] domiciliation number; [3] AGDREF number (ten numbers, starting with 6203); [4] CAO's adress (Name, number, street, city).

**TO LEAVE THE CAO**. Some people may decide to leave the CAO early. Despite the fact that they are free to leave this place at any moment, they must know that there can be consequences on the treatment of their file – especially for those who already made enquiries in France. Before leaving CAO, it is advised to talk to an independent jurist.

**EACH CASE IS INDEPENDENT ONE FROM ANOTHER**. The case of some of the people you receive may look alike (same nationalities, same enquiries...) but each case is different one from another. Each and every case needs to be look through very thoroughly. In case of any doubt, please look for advice elsewhere.

## **TO KEEP ON GOING.** To receive more informations:

A website about CAO: www.psmigrants.org/site/cao

An email to leave any questions to a jurist : <a href="mailto:centre.accueil.orientation@gmail.com">centre.accueil.orientation@gmail.com</a> The mail must contain my full name and surname and CAO's adress.
